- No chain!
- 8kw Solar panel system with 27 panels
- Air conditioning
- Backs onto park
- Efficient home with low bills

NO CHAIN Charles Orlebar presents - A wonderful family home on the ever sought after Peveral Manor development, offering a superb plot with a sunny and private south facing garden, overlooking the park. The current owners have carried out significant upgrades to include: 27 solar panels (privately owned) and an air source heat pump; along with an interchange between this and the boiler providing an automatic system to provide the most efficient heating at any time of day or night; air conditioning throughout; block paving to the driveway and parking with external lighting too.

This spacious family home is located in a friendly neighbourhood with lots of young families and a community Facebook Group. With a lovely layout and flow to the downstairs space, the sitting room is over 28 foot long and leads on to a separate conservatory overlooking the rear garden, while an extension at the side of the kitchen/breakfast room has provided an open plan dining room overlooking the rear garden too. To the front, half of the double garage has been converted into an extra room - currently used as a study/playroom but could be used as a fifth bedroom (perfect for multi-generational living) or a home office. Upstairs there are four bedrooms, all with fitted wardrobes and with master benefitting from an ensuite.

This is the perfect location for road links - the A6 and A45 leading on to the A14 and M1/M6 and A1, and commuters to London have the choice of Bedford (22 mins approx) or Wellingborough (16 mins approx) train stations. Trains to London are between 50 mins and 1 hour duration.

To find out more, take a look round with George's video tour and call George or Lucy to book your exclusive viewing of this lovely family home.
