Description

The expansive accommodation to this lovely family home commences with a good sized hallway, with attractive tiling to the floor, giving access to the ground floor rooms and stairs rising upwards. Immediately to your left you will find the attractive dining room, with feature fireplace and square bay window flooding the room with natural light plus an opening leads you through to the additional reception area, itself open plan to the stunning sitting room to the rear of the property. This is a fantastic space with a feature vaulted ceiling, again allowing an abundance of natural light to flow in, plus with the double doors leading to the outside, this is a wonderful room for relaxation or entertaining. The kitchen has been thoughtfully designed blending both classic and modern options, with a good amount of storage units at both base and eye level, and contrasting wood block work surfaces that complement the room perfectly. From here there is access to an internal lobby, which has a courtesy door leading outside and another door taking you into the convenient utility room, with further matching cupboard units, space for a number of appliances and an inset butler sink. Heading up to the first floor there are three good sized double bedrooms and a three piece family bathroom suite, modern in design. To the top floor the landing leads you to the spacious master bedroom with fitted wardrobes to one wall and its own modern ensuite shower room, plus a large storage room. Externally the south facing rear garden has been attractively landscaped with patio areas, lawn and various option for shrubs and flower beds. To the foot is the very useful garden room/office, fully fitted with power and light, perfect for multi usage for all the family. To the front of the property the paved area provides space for a couple of vehicles to park and a gate allows you side access to the garden.
