Description

This well presented family home is entered via a spacious bright and airy hallway with stairs rising to the first floor, and a very convenient large storage cupboard beneath, ideal to drop off your coats and shoes prior to going further within. There is access to all the ground floor rooms, with the dining room being off to your left, an appealing area with a lovely large feature bay window to the front and herringbone style flooring. Double doors open from here and lead you into the generously proportioned sitting room to the rear, a truly beautiful room which overlooks and leads to the rear garden via two sets of double doors, perfect to throw open in those summer months, and is a wonderful area for all the family to gather around the fire during the winter, with plenty of room for your sofas and armchairs. The kitchen/breakfast room is another charming room, with a large bay window to the front, a great spot to have your breakfast table and chairs set up and to sit quietly in the morning before your day begins. The kitchen is extensively fitted with a good range of attractive units at both base and eye level, some integrated appliances, and there is lots of work top space available for your meal preparations. There is also a ground floor cloakroom to complete the rooms on this level. Heading up the stairs you will be greeted by a spacious landing area which leads to the four good sized bedrooms, three of which are large double rooms, the master bedroom having its own ensuite shower room, whilst the modern family bathroom, with his and her sinks, serves the remainder. Externally the secluded rear garden is of a good size and offers a real feeling of privacy and peace with fence surrounds, flower beds and mature trees and shrubs enclosing the lawn area. Commencing with a large patio area, this is the perfect place to set out your garden furniture and take your morning coffee or evening cocktail when the weather allows. To the front of the property the large shingled driveway provides space for a number of vehicles to park whilst additionally giving side access back to the rear.
