Description

The internal accommodation commences with a bright enclosed porch that leads through to a welcoming hallway. The principal sitting room is fitted with herringbone style wood flooring and is centered around a feature fireplace with windows to both the front and side elevation. A pair of french doors open out to a paved outside seating area. Located across the hall is a second reception room which again features a dual aspect and a brick feature fireplace. Along the hall is a built-in coat cupboard and a ground floor cloakroom.

To the rear of the property is the extended, open-plan kitchen / dining room that comprises a range of above and below counter storage units, a large island unit with ample worktop space and various integrated NEFF appliances. Three sets of bi-folding doors allow this area to be fully opened to the paved patio area surrounding the rear and side of the property. Finally, there is a separate utility room with side access.

Heading upstairs, the master bedroom is a generously proportioned double room with built-in wardrobes, a Juliette balcony with stunning countryside views over the fields to the rear and a boutique style en-suite with stand alone bath and separate shower area. The second double bedroom is also a large double room, again with an en-suite shower room. There a further pair of double bedrooms to the front, each with built-in storage and a final single room. A contemporary family bathroom completes the internal layout.

Externally, the large, private plot is beautifully maintained with mature trees and shrubs throughout the garden. Several seating areas are positioned around the garden offering plenty of places to sit and admire the truly impressive surroundings. There are a pair of detached garages with a separate storage area, a W/C and an office to the rear. To the front of the property is a large gravel driveway offering plenty of space for parking.
