Description

The internal accommodation commences with an exceptionally spacious entrance hallway, prior to the renovation work this was a reception room so could easily be re-purposed as a study or sitting area. At the rear of the ground floor is the extended, open-plan, kitchen / living / dining area that has double doors opening out onto the rear garden. There is also a bathroom to the ground floor located off the internal lobby area.

Heading to the first floor, the largest of the four bedrooms located on this level is positioned at the front of the property and enjoys a walk-in wardrobe and en-suite shower room. There are a further pair of near identical double bedrooms, each benefitting from their own en-suite shower rooms and walk-in wardrobes. At the rear of the property is another bedroom which is currently utilized as an office / spare room.

Finally, the second floor is home to the master suite which enjoys a vaulted ceiling with velux windows either side, a large built-in wardrobe and, again, an en-suite shower room.

Externally, the property enjoys a beautifully maintained rear garden that commences with a paved patio area, while the remainder laid principally to lawn with well stocked shrub borders. At the foot of the garden is a wooden cabin with a secondary decked patio area. To the front of the property there is ample off-street parking for multiple vehicles, in addition to an integral single garage.
