Description

A double glazed UPVC entrance door gives access to the hallway, with doors to all rooms. Both bedrooms are situated to the front of the property, with the master having built-in wardrobes. To the rear, you will find the good-sized lounge/diner with feature fireplace and patio doors leading to the conservatory which runs across the back of the bungalow and offers attractive views over the garden. The kitchen/breakfast room is attractively fitted and has a further door that leads to the conservatory. You will also find a recently refitted shower room with large walk in shower tray and white suite off the hallway.

The landscaped rear garden is a good size and is largely unoverlooked. It is mainly laid to lawn with a paved area and shed to remain. The garage is accessed by the private drive from the front, giving plenty of off-street parking.

With its ideal location and generous sized plot, it offers in our opinion, excellent scope for further development (stp),
