Description

A porch opens into a welcoming hallway (with downstairs cupboard), leading to a comfortable living room with a bay window to the front along with a side window that fills the space with natural light. This flows seamlessly into a well-proportioned dining area, ideal for both everyday living and entertaining. The galley kitchen is well-equipped with a range of eye and base-level units, a useful double sink and double upright oven, along with ample worktop space and a utility area with plumbing for washing machine and dishwasher. The bright and airy dining room features large sliding doors that offer views of the rear garden, and a convenient ground-floor WC completes this level.

Upstairs, the landing provides access to two generously sized double bedrooms. The principal bedroom has built-in wardrobes with shelf storage, drawer unit and shelves for home entertainment, along with an airing cupboard. The rear bedroom also features built-in wardrobes and offers views over the woodland, while the third bedroom is currently used as a spacious study. A modern family bathroom with fitted wall heater serves this floor.

The rear garden provides a private and tranquil outdoor space measuring approx. 64' x 37', beginning with two paved seating areas that lead to a neatly maintained lawn, bordered by mature shrubs. The garden also features a useful storage shed with fitted worktop as well as exterior lighting and hot and cold-water supply. To the side of the property, an attached garage with power, light and extract for tumble dryer offers ample storage, with off-street parking for three vehicles available in front.
