Description

The internal layout begins with a welcoming entrance hall, leading into an elegantly styled living room featuring a charming fireplace with working log burner. This inviting open space flows into the dining area, which boasts built-in shelving and cabinetry, as well as French doors opening onto the rear garden. The stylish kitchen is fitted with an array of eye and base-level units and large range cooker, complemented by sleek white granite worktops. Bathed in natural light from a side window, velux skylights, and expansive bifold doors, it creates a bright and airy atmosphere—perfect for both everyday living and entertaining, indoors and out. Under the stairs, efficient use of space allows a storage area and ground floor WC.

Ascending to the first floor, the landing provides access to all rooms. The principal bedroom is a generous double, featuring a characterful fireplace and a wall of fitted wardrobes. A second double bedroom and a well-proportioned single bedroom are positioned at the rear, while a beautifully appointed family bathroom completes this level. A spacious boarded loft space offers good potential to convert.

Externally, the recently re-landscaped rear garden offers a private and spacious retreat, complete with rear access. A seating area leads to a neatly maintained lawn with bordering shrubs. At the far end, a purpose-built outbuilding provides a versatile space, ideal for use as a home office or gym, with a separate storage area to the rear with steel security door. To the front, a block-paved, double driveway offers convenient off-street parking.
