Description

The internal layout begins with an entrance hall that leads into a bright, contemporary kitchen, thoughtfully designed with a range of eye and base level units, ample worktop space, and integrated appliances. The kitchen flows effortlessly into a spacious living room, an ideal setting for both daily life and entertaining, featuring dual windows and French doors that open onto the rear garden, allowing natural light to flood the space. Adjoining this is a generously sized sitting room, offering a flexible reception area perfect for relaxing. A convenient ground-floor WC completes the accommodation on this level.

Upstairs, the first-floor landing gives access to three well-proportioned bedrooms. The principal bedroom enjoys the benefit of a stylish ensuite shower room, while the remaining two bedrooms are served by a sleek, modern family bathroom. Notably, the second bedroom is a generously sized dual-aspect room with windows to both the front and rear of the property, offering excellent natural light and potential to be reconfigured into two separate bedrooms.

Externally, the rear garden is mainly laid to lawn with a decked seating area, creating an inviting outdoor retreat. A wide, paved side path leads to a substantial garage, while a carport to the front provides sheltered off-street parking and direct access to the garage via an up-and-over door.
