Description

Upon entering, the hallway provides access to a well-equipped kitchen, featuring a range of eye and base-level units along with ample countertop space. The spacious living room benefits from a large front-facing window, filling the space with natural light. Sliding doors connect the living room to the dining area, creating an expansive open-plan layout, ideal for entertaining, with direct access to the rear garden.

Ascending to the first floor, you'll find two generously proportioned double bedrooms, both with built-in wardrobes. A third single bedroom offers versatility as a guest room or home office and completing this level is the shower room.

Externally, the property has a paved driveway at the front, leading to a garage with convenient access via double doors. The rear garden is mainly laid to lawn, enhanced by mature shrub borders, a tranquil fishpond, and side access to the garage and garden store.
