Description

The internal layout begins with an entrance hall providing access to all rooms of the main residence. The spacious lounge is an elegant and inviting area, enhanced by dual-aspect windows that flood the room with natural light. The well-equipped kitchen features an array of eye and base level units, generous worktop space, and French doors that open directly onto the rear garden—perfect for indoor-outdoor living. A separate utility room offers practical additional storage and space for appliances.

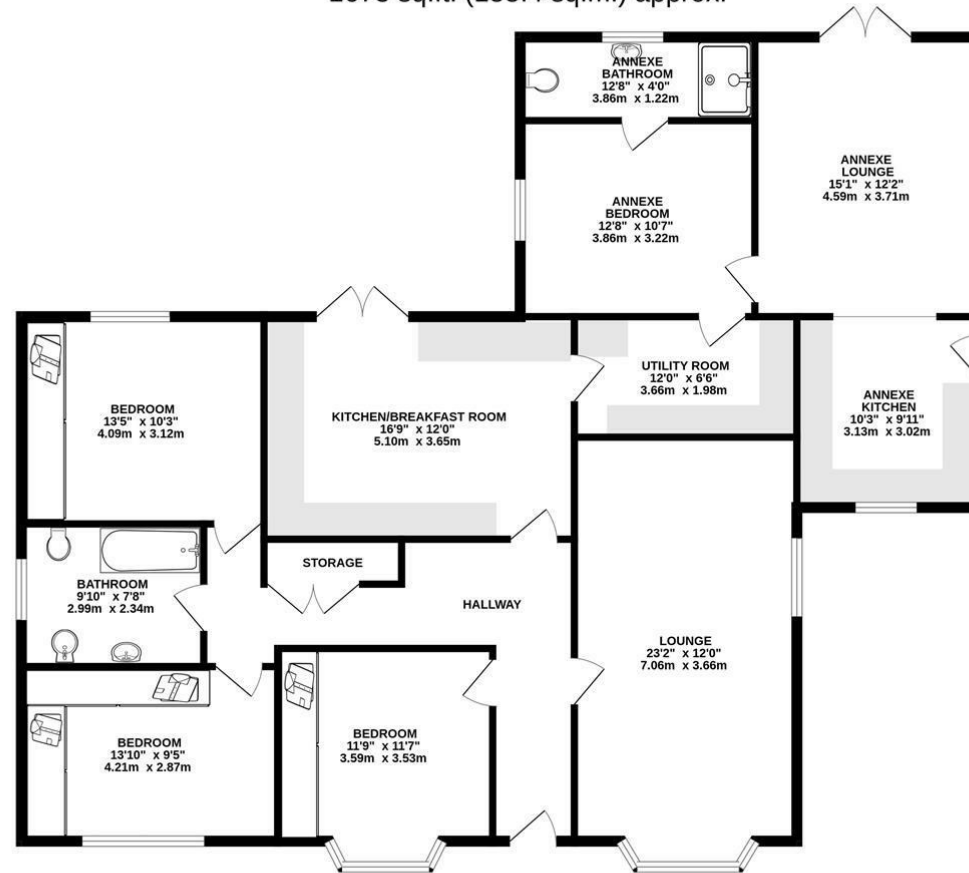

There are three well-proportioned double bedrooms, each benefiting from fitted wardrobes, while a contemporary family bathroom completes the accommodation within the main house.

The self-contained annexe is accessed via its own entrance to the side of the property. It opens into a modern kitchen that seamlessly connects to a comfortable lounge area with French doors leading to the garden. The annexe includes a spacious double bedroom with its own ensuite shower room, making it ideal for guests, extended family, or independent living. There is also access to a utility room that also provides entry to the main house.

Externally, the rear garden opens with a paved patio area while the remainder is laid to lawn and framed by established shrubs for added privacy. To the front, a large carriage-style driveway provides generous off-street parking for multiple vehicles.
