Description

The internal layout begins with a welcoming entrance hall. To the front, an elegant lounge is bathed in natural light from a bay window and centred around a characterful fireplace. This room flows seamlessly into a versatile family room, also with a fireplace, and double doors opening onto the rear garden. A spacious dining room leads through to a beautifully appointed kitchen, fitted with a range of eye and base level cabinetry, generous work surfaces, and integrated appliances. From here, there is direct access to the garden, along with a convenient ground floor cloakroom.

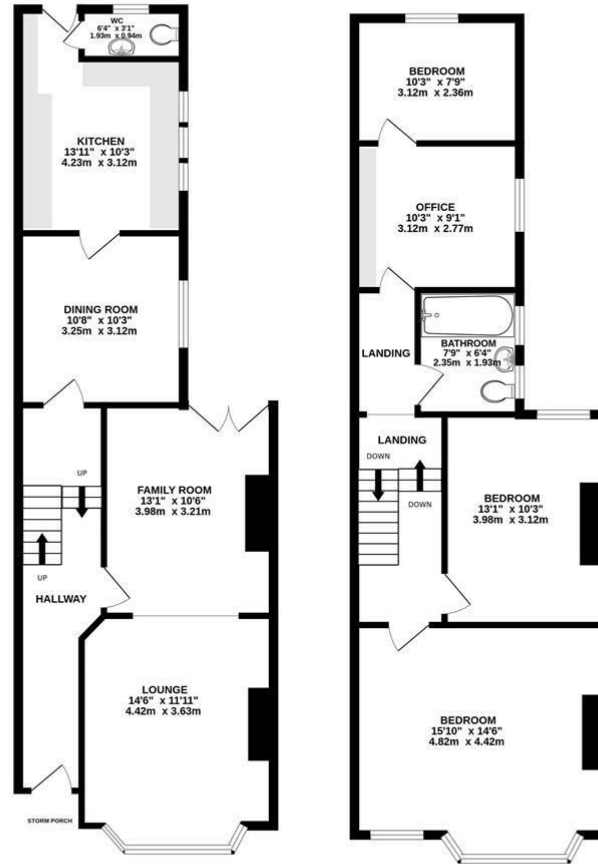

Upstairs, the landing leads to the principal bedroom at the front of the property—an inviting and generously sized double with dual windows and an original-style fireplace. A further double bedroom sits adjacent, while to the rear are two additional rooms, one currently used as a home office. A modern family bathroom completes the first floor.

Externally, the rear garden is a standout feature, beginning with a paved patio ideal for entertaining, leading onto an immaculate lawn framed by mature shrubs and vibrant planting. To the front, a private driveway provides valuable off-street parking.
