GUIDE PRICE £270,000 - £290,000

Perfectly situated for Brentwood's Mainline Railway Station is this purpose-built first-floor fully refurbished apartment. Apartments within this block rarely come to the market and with Crossrail providing direct transport links to central London this is perfect for those wishing to commute. As you enter the apartment you will find two light and spacious bedrooms off the hallway and a living room leading to the kitchen with white fitted units. The bathroom has a new white suite and a shower over the bath plus a concealed cistern W.C. To the rear of the property, you will find lawned communal gardens and an allocated parking space, along with visitor parking. Being offered with no onward chain, we understand from the current vendor, that this apartment will be sold with the added benefit of a share of the freehold. There is a monthly service charge of only £105.00 P/M.

With this in mind, we feel this is also an excellent investment opportunity.
