Hungerford, Berkshire, RG17 0BY

Guide £650,000

An outstanding detached bungalow that has been thoughtfully extended and refurbished to create a very comfortable and contemporary home.

Description

The flexible accommodation includes generous hall space from which the main rooms lead, a sitting room with a woodburner, a refitted kitchen with an island unit, appliances and a distinctive family/dining room with a vaulted ceiling and glazed gable end providing good natural light. The main rooms successfully create open plan living whilst retaining distinct areas in which to eat, relax and entertain. There are three bedrooms, one of which has a fabulous en-suite shower room and a range of built-in wardrobes. The main bathroom has been tastefully refitted and includes a free-standing bath and a separate shower enclosure. In addition, there is a useful utility room. Outside there is a block paved driveway to the front providing off road parking. The rear garden has been landscaped and with ease of maintenance in mind. There is a raised terrace with views across rooftops to distant fields, a circular lawn, well stocked borders, a further covered seating area and side access.
