Situation

Beeches is a wonderful family home situated on the edge of South Stoke, a very popular village on the south side of Bath as it balances the beautiful countryside to the south with excellent access to the city centre. No entry from the east at Midford Road adds to the appeal of this very quiet location. The village has an extremely active community and successfully saved and re-opened The Packhorse Inn which provides good local ale and fine food.

Bath city centre offers a wide range of cultural and leisure activities including many restaurants and an excellent range of shops, museums, art galleries and theatres. Local amenities include a large Sainsbury's supermarket at Odd Down plus a late night petrol station/Tesco Express on Midford Road.

The property is also well positioned for local schools including Monkton Combe, Prior Park, King Edward's, Ralph Allen, Beechen Cliff and St Gregory's. Bath is also well served for road and rail links - the M4 is approximately 11 miles to the north and Bath Spa station provides direct access to London Paddington (from 84 minutes).
