The Property

Situated at the end of a private drive of just 3 detached properties is this 4/5-bedroom detached ex show home located in a secluded position on the Millbrook development.

Coming to the market for the first time in near 30 years, this detached family home has been altered and extended since first build in the 1980's expanding its ground floor accommodation with a further study/ 5th bedroom as well as a utility room. Further to its ground floor living space is an open plan kitchen dining room which was renovated circa 10 years ago along with bi-fold doors leading on to the rear garden, front to back sitting room and sitting room. To the first floor are four well proportioned bedrooms with family bathroom as well as an en-suite shower room to the main bedroom.

To the front of the property is ample of street parking to the front of the single garage as well as additional parking to the side of the property. The rear of the property offers a mostly patio & lawned garden with some newly replaced timber fencing as well as personal garage door access.

Some material information to note: Gas central heating. Mains water, mains electrics, mains drains. Ofcom checker indicates standard to fast broadband is available. Ofcom checker indicates mobile availability and data voice calls could be compromised with some major providers. The government portal generally highlights this as a low/unlikely area for flooding. We are not aware of any planning permissions in place which would negatively affect the property. Details of any covenants or easements are available on request from the estate agent.
