In brief, there are four generously proportioned double bedrooms and a smaller 5th double bedroom, each offering built-in wardrobes, whilst the two largest bedrooms both enjoy en-suite facilities. The remaining three bedrooms share a superb family bathroom, whilst the fourth shower room will be found on the ground floor. The high specification to the impeccably designed bath or shower rooms further enhance the sense of opulence of this property. The kitchen is the heart of the home having been meticulously designed and including Gaggenau fridge, freezer and wine cooler, twin Neff dishwashers and concealed Neff ovens and microwave to name but a few features. The kitchen also provides space for a relaxed seating area as well as a formal dining area, and along with the spacious adjacent sitting room, both rooms open out onto the rear garden. In addition, there is also the family room which could be used for a range of uses such as play/games room, cinema or gym. For those in need of a tranquil workspace, a detached office/garden room offers the perfect place, ideal for productive work or creative pursuits without sacrificing the comfort of home.

Outside, the secure gated driveway provides ample parking and leads to the integral garage. The rear garden is equally immaculate, designed for ease of maintenance and ideal for entertaining with its large patio area and bespoke copper water feature. What3Words ///forces.trees.orders
