Corner Ways is a quintessentially English, thatched character property, constructed in the 1920's and part of this highly desirable private marine estate. Being positioned just a short walk to the beach, village centre and sports club the property is ideally located and offers generous rooms throughout.

The accommodation measures some 2,509 sq ft in total, retains much of the original character and briefly comprises: spacious entrance hall with fireplace. The double aspect sitting room also has an original fireplace with a door leading to an Amdega orangery with pleasant views of the garden and double doors on to the terrace. To the right of the entrance hall is the dining room, again with original fireplace and beyond, the kitchen-breakfast room again with French doors into the garden. These two rooms could potentially be combined to create a generous kitchen-dining room if desired. There is also a separate utility room accessed via the rear lobby with an external door to the garden and an integral door leading to the double garage.
