Bath Gardens

£245,000

An impressive heritage building dating back to 1687 sits at the heart of Bath Gardens in the historic market town of Bakewell. The original spa bath boasts an arched gritstone feature vaulted ceiling, serving as the central hub for living, dining, and kitchen activities in the proposed conversion.

The ground floor would accommodate a playroom/study/home office alongside a boot room/utility area leading to a private garden space inclusive of stone outbuildings. Upstairs, the plan outlines five bedrooms and four bathrooms.

With three entrances, the main access opens onto Bath Gardens, offering views of both the gardens and the adjacent bowling green.

This Grade II listed property obtained Planning and Listed Building consent in October 2023 for conversion into an open-market dwelling, boasting approximately 3185 sq. ft overall. Potential uses extend to holiday letting, highlighting its historical significance and numerous heritage features.

Embracing its past, the Bath House itself dates back to 1687, with conversion plans emphasizing the preservation of its unique character. The original bath has been transformed into the primary open-plan living, dining, and kitchen area, complemented by a playroom and study/home office. A practical boot room/utility space leads out to the private garden, complete with stone sheds.

A private parking space located a short stroll away, supplemented by additional residents' parking subject to council permits.
