OUTSIDE

One of the main features of this particular property is the large plot with an impressive frontage of approximately 73ft. Set back from the road, screened behind panel fencing. To the right hand side of the property is a stone driveway leading to a large brick built garage 4.01m x 5.17m with electric Henderson door to front. The garage has light, power, side pedestrian door and UPVC SUDG window to rear. To the left hand side of the property is a further slabbed driveway. The front garden is hard landscaped in slabs, block paving and decorative stone for easy maintenance. A timber and wrought iron gate lead down both sides of the property to the large fully fenced and enclosed rear garden, which has a sunny aspect. a full width slabbed patio adjacent to the rear of the property edged by a low brick retaining wall, beyond which the garden is principally laid to lawn with surrounding well stocked beds and borders. Outside power point and tap. To the right hand side of the property is an aluminium greenhouse and to the top of the garden is a double skinned and insulated summerhouse/home office 2.93m x 4.46m with timber SUDG French doors to front and two windows to side, oak finish laminate wood strip flooring, light and power. There is ample room to create further garage or to extend (subject to planning permission)
