# 8 Kings Court Cottages New Road, Pensford, Bristol, BS39 4AR

Available for the first time since new, this semi detached house is one of just eight new homes which form part of a small development on the southern side of the village of Pensford. This particular property is formed from the conversion of a former commercial building into two dwellings and has rendered finished elevations beneath a tiled roof. It has the benefit of uPVC double glazed windows which are traditional Heritage Green externally and white internally to preserve the light and spacious feel of the accommodation.

Internally the property is arranged across three floors, the ground floor being approached by an entrance hall with understairs storage and a downstairs WC. There is a well appointed Kitchen/Breakfast room with a 'Stable' style door to the side aspect and an 'L' shaped lounge/dining room featuring twin 'Juliet' balconies with glass balustrades. From the lounge is a stairwell down to the impressive large open plan lower ground floor which completes the living space with twin french doors onto the low maintenance garden and village beyond.

To the first floor there are three bedrooms, the master bedroom with an en-suite shower room, the other bedrooms being served by a good size family bathroom.

On the outside the property has two private parking spaces and a pleasant tiered garden with views into the village.

Pensford is a popular village location on the edge of the Chew Valley south of Bristol and is easily commutable to Bristol, Bath and Wells with the Chew Valley and the Mendip Hills providing many recreational opportunities. The nearby town of Keynsham provides a range of day to day amenities approximately 4 miles away. The village itself has two public houses, well regarded primary school, parish church and general store/post office.

In fuller detail the accommodation comprises (all measurements are approximate):
