The Coach House Vicarage Lane, Compton Dando, BS39 4LA

The "Coach House" is a delightful detached stone built property believed to have been converted during the 1970's, the building itself dating back to the 1800's. It forms part of a small complex of residential properties created from the conversion of Manor Farm. The property has been subsequently extended and more recently refurbished to provide delightful characterful accommodation which is well presented throughout.

The features including exposed stonework and timber beams which blend perfectly with more modern additions such as the refurbished kitchen/breakfast room and new bathrooms to create a pleasant living environment. The accommodation is arranged across two floors with the ground floor comprising an entrance hall, three separate reception rooms, all of good size, in addition to the attractive refitted kitchen/breakfast room with a range of built in appliances. There is a useful downstairs wc and laundry room.

The first floor has a landing off which the four well balanced bedrooms are located together with a bathroom and separate shower room, both of which have stylish modern fittings.

On the outside the property is approached beneath a tiled canopy to a generous courtyard which is owned by the property (and subject to rights of access and parking for the neighbouring properties). This leads to a detached garage. A gate leads to a delightful walled garden which is immediately to the rear of the property and enjoys a good degree of seclusion, laid predominantly to lawn with well stocked flower and shrub borders and small trees. The garden also includes the original well to Manor Farm House.

The property enjoys a highly secluded location on Vicarage lane close to St Marys Church. The village of Compton Dando is idyllic with a popular pub and community village hall. The village is located less than 5 miles from Keynsham which offers a range of day to day amenities including a Waitrose food store and is within easy commuting distance of Bristol and Bath. The Chew Valley and Mendip Hills are close by with a wonderful range of recreational facilities.
