Crofton Cottage Bath Road, Swineford, Bristol, BS30 6LW

Crofton Cottage is a delightful detached period cottage with a south-west facing level garden and a long frontage to the River Avon in a beautiful setting overlooking Swineford Lock and Weir with fine views along the river towards Bath and across surrounding countryside.

The property was originally two attached cottages successfully fused into one some years ago and renovated to a high standard. The resulting accommodation has character but also the creature comforts associated with modern living and a good degree of inherent versatility. On the ground floor there is an entrance hall, three well proportioned reception rooms, kitchen and separate utility room, cloakroom/wc, a double glazed aluminium framed garden room enjoying beautiful views across the garden and a double bedroom which is presently used as a study. The first floor has three double bedrooms, one of which has river views with the other enjoying an outlook across open countryside. The first floor bedrooms are served by a well appointed family bathroom and separate shower room.

On the outside the cottage has an attractive double fronted stone façade to Bath Road with high walls and an electric sliding gate providing the approach to a secure driveway, parking and turning area adjacent to a large double garage (which is capable of housing three vehicles if required). The garden room opens onto a delightful level southwest facing garden with many points of interest including an oak framed covered sitting area, hot tub, paved terrace and an ornamental pond. The plot is a long frontage to the river which is extensively paved and includes a landing stage and elevated timber deck from which superb views can be enjoyed across the river to Swineford Lock and Weir and downstream towards Bristol. This is a truly magical and relaxing setting, perfect for those who enjoy natural history, boating and fishing.

Swineford is a popular village location between Bristol and Bath which are 8 and 5 miles away respectively. The cities contrast with each other, Bristol being a regional centre with a vast range of amenities while Georgian Bath is world renowned. The village has an excellent pub, The Swan, with numerous country walks available from the doorstep on the Monarchs Way and Cotswold Way to Upton Cheyney and North Stoke, while the nearby Town of Keynsham which is 3.5 miles away has Waitrose and Tesco food stores, a variety of local shops and amenities and a railway station.
