Description

Due for completion in June this substantial home has undergone full refurbishment to the highest standard throughout.

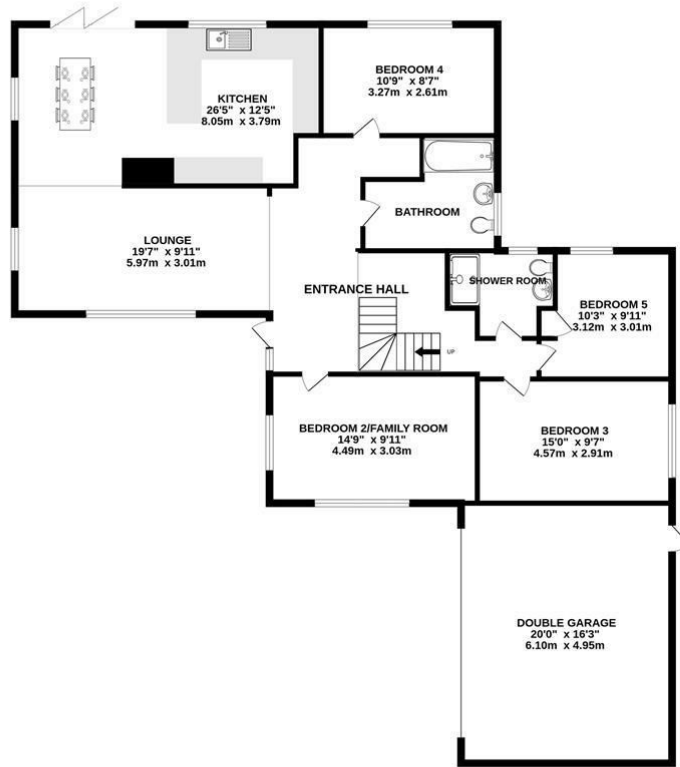

The property comprises a spacious entrance hall with a premium oak and glass staircase rising to the first floor and opening into the living room which in turn flows into the kitchen/dining area with bi-folding doors into the rear garden. The kitchen has fitted units with quartz worktops over Siemens and BEKO appliances and include a peninsula breakfast bar. There are four well-proportioned bedrooms that could equally be used as additional reception rooms as well as a bathroom and shower room all to the ground floor.

The Master bedroom suite is located on the first floor and has dual aspect views and excellent storage space with built-in cupboards, eaves storage and a large en-suite shower room.

Externally, the property has an easy to maintain garden which is mostly laid to lawn. There is access through to the front from both sides of the property. Excellent parking for several vehicles is provided by way of a spacious driveway and an attached, double width garage.
