Description

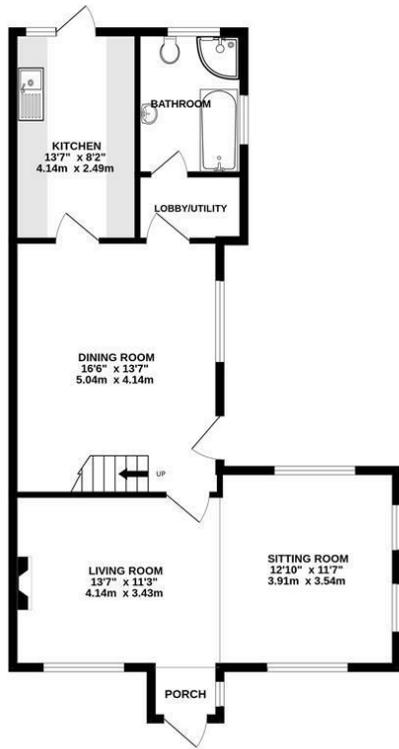

Entering the property via the porch you immediately find yourself in a warm inviting living room full of character which boasts a traditional brick built fireplace with log burning stove. This leads into a further sitting room to your right with triple aspect views out to the front, side and back of the property. A doorway leading from the living room into the dining room with it's large open space and further traditional brick chimney and wood burner, also gives access to the outside via the side of the property. On from the dining area you'll find the well equipped kitchen with large range oven. From here you'll also have access out to the rear of the property. A further door from the dining area provides access to a utility room and onto the family sized bathroom which holds both a bath and separate shower.

Stairs from the dining room provide access to the first floor, whereby the landing holds doorways to all three bedrooms, all having lovely views out to the countryside, with the main bedroom to the front of the house. Both ground and first floor have beautiful wood flooring throughout.

To the front of the property is a gated driveway with plenty of parking which leads round to the side area, holding a large wood built outbuilding. To the rear you'll find a large well kept lawn with beautiful mature trees and ongoing views of the countryside.
