Description

On entering '2 Lyndale' you immediately notice the stylish décor bringing a bright and airy feeling to this lovely family home, with half height, wooden panelled walls, modern grey, wood effect laminate flooring and carpeted stairs rising to the first-floor level. From the hallway you have access into the dining room, living room, kitchen and into a modern ground floor cloakroom with w.c. and wash hand basin with storage below. The property has two main reception rooms, a dining room which has a set of French doors to the front which open onto a private, courtyard garden. The second reception is a large and bright living room which in turn opens to the conservatory. There is a media wall in the lounge to accommodate a large, wide screen tv and there is a contemporary electric fireplace which sits below. With windows to all aspects and a clear glass roof the conservatory gives direct access into the garden and onto a raised decking area which wraps around the rear of the property. A beautifully designed kitchen has been fitted with a good range of white 'Shaker' style wall and base units, providing excellent storage options, with contrasting work surfaces over, and there is also a breakfast bar with seating for two to one end of the kitchen. Integrated appliances include, double 'eye level' oven, four-ring induction hob with extractor above and a slimline dishwasher. Accessed via an internal lobby which has direct access through to the rear and front gardens, you will find additional space for appliances in a good-sized utility room where there is space and plumbing for a washing machine, tumble dryer and large double fronted fridge/freezer, plus work surface and wall mounted units. From the utility there is access into a large playroom which could be utilised as a ground floor (fifth) bedroom. This room has French doors which give access into the rear garden. This section of the house has excellent potential for an annex type set up with own access and could suit an older child, or staying relatives/guests. Herringbone effect Amtico flooring is laid in the kitchen, inner lobby and the utility room.

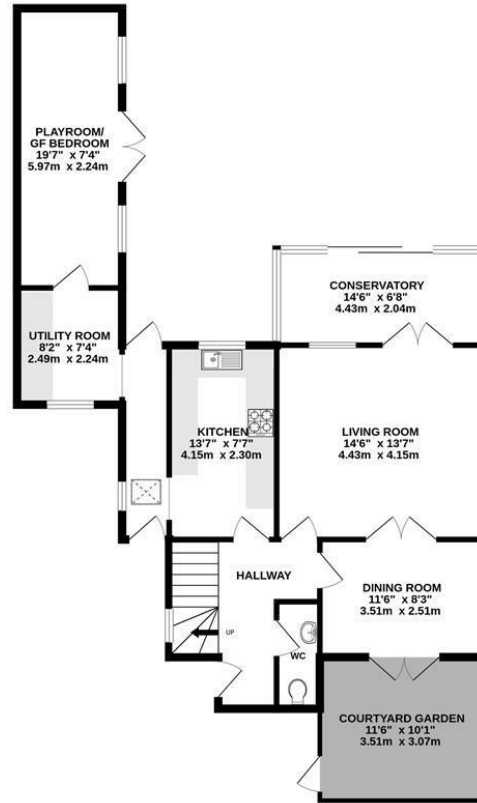

Rising to the first floor you will find four well-proportioned bedrooms. There is ample space for freestanding or fitted furniture and bedroom three also has a built-in storage cupboard over the stairwell. The modern family bathroom includes a panelled bath with 'rainfall' overhead shower, close coupled w.c. and a wash hand basin set into a modern vanity unit.

An easy to maintain and well-kept garden has artificial lawn edged with raised beds planted with neatly clipped hedging. Raised decking wraps around the rear of the property and provides a lovely spot to sit and relax and enjoy the garden bathed in sunlight. The garden also has double gates which can be accessed from Stocksfield. To the front of the property a tidy block paved driveway provides off street parking for two vehicles and there is a further gate to the side which gives access into the additional and private courtyard garden.
