Description

A bright and spacious hallway has Amtico flooring, stairs that rise to the first floor and doors into the main living areas. The property has three good-sized reception rooms - the study and a cosy sitting room both overlook the front of the property and there is a larger living room at the rear of the property with French doors which open onto the patio in the rear garden. From the hallway there is access into a fully tiled cloakroom with wash hand basin and w.c. The kitchen / breakfast room has been fitted in a modern range of cream wall and base units with granite work surface over, and there is ample space for appliances, including a Range style cooker, with further space being provided in a separate utility room off the kitchen. There is further access into the garden from the utility room.

Rising to the first floor you will find five, well-proportioned, double bedrooms with four of the rooms either having fitted or built-in storage. The largest bedroom benefits from having an en-suite shower room with double shower, 'his' and 'hers' wash hand basins and a close coupled w.c. Both bedrooms to the rear have pleasant views over the village hall playing fields and adjacent farmland. The family bathroom has contrasting tiled walls and flooring and includes a panelled bath with shower over, close coupled w.c and wash hand basin set into a floating vanity unit. Pop your head into the loft and you will find a large, boarded loft space which has excellent potential for conversion into a habitable room or rooms, subject to the usual planning consents.

Externally, there is a South facing, un-overlooked garden which wraps around the property at the rear. A patio area which can be directly accessed from the living room and the utility, provides a lovely spot to sit and relax with the remainder of the garden being laid to lush lawn with mature shrubs to the borders. Adjacent to the property there is a double garage which has useful pedestrian access into the rear garden. There is ample parking in front of the garage with potential to add further spaces if required.
