Both reception rooms have lovely, bespoke deep windowsills which incorporate stylish radiator covers. The sitting room is a bright and spacious room with a built-in storage cupboard tucked away under the stairs. The lounge/diner is a spacious, characterful room with a stunning brick built 'Ingenook' fireplace with log burning stove as a central feature, with ample dining space to one end of the room, where you have French doors which open onto the garden. Further space for appliances is provided in a separate utility room which also has a separate w.c. adjacent. There is further access into the garden from the utility room.

Rising to the first floor you will find three, double-bedrooms and a family bathroom. Two of the bedrooms have built-in storage cupboards, with the rear bedroom also having hanging rails, making it an ideal room for a walk-in dressing room if desired. No expense has been spared in designing the family bathroom, with opulent 'Limestone' and 'Maron' marble tiling and a white suite, which includes a spacious oval bath with central mixer taps with telephone style shower attachment. There is also a separate, beautifully tiled shower cubicle.

To the rear a secluded garden with mature trees and shrubs backs onto private woodland. The garden has been beautifully maintained with neat lawns and shaped flowerbeds. Located at the bottom of the garden is a spacious oak barn/workshop with covered log store to one end and there are two further storage sheds/rooms, both of good-size which are attached to the rear of the double-length garage. The workshop and both storage rooms all benefit from having electric roller shutter doors. There is vehicular access to the garage down the side of the property, separated via full height gates. Viewers will also note that there is also a covered 'Jacuzzi' area and a separate covered seating area midway down the garden. Ample parking is provided on a large driveway to the front of the property, which is set behind secure, electric remote operated gates, and for further peace of mind there is a hard-wired CCTV system in operation at the property.
