The lounge is a spacious room with French doors opening onto the garden, and a door into the kitchen/diner and a further set of double doors into the dining room. Integrated appliances include double ovens and gas hob with extractor above. There is further space for appliances in a separate utility room off the kitchen where you further wall and base units with work surface over. You can access the utility from the entrance hall and the kitchen/diner. Viewers will note that all of the ground floor doors are solid light oak.

Rising to the first floor a spacious landing has an airing/storage cupboard and provides doors all rooms. There are FIVE bedrooms, of which one is currently being used as a study/home office. The master bedroom benefits from fitted bedroom furniture and having access into an en-suite shower room. Finishing the accommodation to this level is a modern family bathroom which comprises of a panelled bath with shower over, modern wash hand basin set into a vanity unit and a close coupled w.c.

Externally, you will find a well-maintained SOUTH FACING rear garden with a large, paved patio leading into neat lawn. There is side pedestrian access through to the front of the property where you have a pressed concrete driveway which allows parking for two cars plus further parking in an attached garage to the side which has up and over doors to both the front and rear.
