Description

Entering through the composite front door you are welcomed into a long hallway with views through to the rear garden. Quality 'Amtico' flooring with water fed underfloor heating is laid throughout with carpet to the bedrooms. The hallway offers direct access into a large kitchen/lounge/diner which is a fantastic space for entertaining or for any family to come together. The kitchen area has been fitted in an excellent range of modern, streamline wall and base units and features a large island unit with induction hob and draw down extractor fitted. As previously mentioned, work surfaces are quartz. Further integrated appliances include double ovens, larder style fridge/freezer and dishwasher. A separate utility room with a sink unit provides additional space for a washing machine and tumble drier. There are bi-folding doors with a lutron electrical blind system which leads on to the rear garden, which have full length windows to either side, allowing for lots of natural lighting into this room. A media wall is featured in the lounge area with speaker sound system in the ceiling above.

The master bedroom has a box bay window with fitted wooden shutters overlooking the front and benefits from both an en-suite dressing room and separate en-suite shower room. The shower room is beautifully tiled and features a large walk-in shower with overhead rain shower and additional handheld attachment. The dressing room has plenty of storage and has been fitted with hanging rails and shelving. Bedroom two also sits at the front of the property, again with a large box bay window with fitted wooden shutters overlooking the front. There is a further third bedroom of a good size. A spacious main, family bathroom, again beautifully tiled and is fitted in a four-piece suite including bath, separate shower cubicle, wash hand basin and close coupled w.c.

Externally, the property is entered via a five-bar gate which gives access to a large shingle driveway with off street parking for several vehicles. Whilst to the rear there is a private and secluded, easy to maintain garden which is mostly laid to lawn. A paved pathway leads to a patio area to one corner of the garden which provides a lovely sunny spot to sit and relax. The property has full gas central heating via radiators, double glazed windows throughout and comes with a NHBC guarantee with 8 years remaining for peace of mind. There is also a smoke alarm / sprinkler system fitted.
