Description

Entering the property, you find yourself in a spacious hallway where you have access to all main rooms and there is a spacious built-in storage cupboard. The lounge and dining room are open plan to each other, but they are still very clearly defined spaces for relaxing and dining. A large full height window to the front aspect and French doors into the conservatory allows for plenty of natural lighting into this space. At the rear of the property is a good-sized conservatory which has a pedestrian door into the garage and French doors giving access into the garden. There is further door from the conservatory which leads back into kitchen. The kitchen has been fitted in a range of dark grey 'Shaker' style wall and base units with contrasting work surfaces over. Ample space is provided for appliances with integrated appliances to include oven and hob with extractor above, dishwasher and fridge/freezer.

The property has three bedrooms all are of good-size and consist of two doubles and a single. There are fitted wardrobes to two of the bedrooms with a third having a built-in double cupboard. Finishing the accommodation is a bathroom with tiled walls, this room has a panelled bath with shower over and a wash hand basin set into a vanity unit. Adjacent to the bathroom you will find a separate w.c. There is excellent potential to knock the bathroom and w.c into one to make a larger / upgraded family bathroom.

Externally, there is a well-maintained garden to the rear which has side pedestrian access. A central lawn has a paved patio surrounding and there is ample space for patio furniture. At the rear of the garden is a timber framed summer house / shed, and borders have been planted with a good selection of plants/shrubs. Parking is not an issue with a block paved driveway to the front providing parking for up to three vehicles, and an attached, double length garage to the side.
