## Description

Entering the property to the side, a spacious hallway has stairs rising to the first-floor level and doors into the living room and a fully tiled ground floor cloakroom. The living room which sits at the front of the property is a lovely comfortable room where you can relax away from the main hub of the house. The hallway opens directly into the kitchen / diner and onward into the conservatory; this section of the house is open plan and a high vaulted ceiling in the conservatory, floods this space with lots of natural lighting, it is a wonderful space for entertaining family and friends. The kitchen has been fitted in a modern range of white, high gloss wall and base units with contrasting work surfaces over, with integrated appliances to include an oven with hob and extractor above, plus a dishwasher. There is further space for appliances in the converted garage, where you have space and plumbing for a washing machine, tumble dryer, large double fronted fridge/freezer and there is also a sink unit. Underfloor heating has been fitted to the L-shaped conservatory and there are French door which give access into the garden and a further door into the ground floor bedroom four/study.

On the first-floor landing there is access to the loft which is part boarded and has a pull-down ladder and light connected. There are three double bedrooms on this level, with a master bedroom benefitting from a fully tiled en-suite shower room and fitted wardrobes. There are two further double bedrooms both with fitted bedroom furniture, and a fully tiled, luxury bathroom fitted with an L-shaped bath with separate shower unit over, w.c and wash hand basin.

At the rear of the property there is an easy to maintain rear garden, measuring approx. 42' in length, which commences with a patio area and leads into neat lawn. Whilst to the front, a large block paved driveway allows excellent parking for several vehicles. As previously mentioned, viewers should note that the garage has been converted but an up and over door to the front could provide access for storing a motorcycle.
