GUIDE PRICE - £1,000,000 - £1,100,000

This delightful home has been the subject of an architectural redesign which embraces natural light and flow, all completed to an extremely high standard and ready for immediate occupation. Quality materials with stunning design have been fused to create this new, stylish and modern home which allows for level ease of access to the ground floor living rooms, bedrooms and bathroom. Deceptive with the space concealed, there are five bedrooms in total arranged over the ground and first floor with two bathrooms and one bedroom with en-suite. Without doubt the hub of the home will be the large kitchen living space which runs the width of the property. This lovely room overlooks the rear garden with a southerly aspect and is bathed in natural light. The space is equipped with stylish kitchen units, walk in larder and sit up island unit. We Love the large patio doors and parquet flooring which complete the look. All the rooms are generous in size and do not disappoint. The sanitary ware and cabinetry in the bathrooms have been carefully chosen to be timelessly modern. There is private off road parking on a stone paved driveway which extends with paving around the exterior of the property to a level lawned rear garden and paved patio ideal for entertaining. This home is available to purchase chain free with full vacant possession. Viewing is highly recommended to appreciate this quality home which is exclusive to Spencer & Leigh.
