Tangmere Road offers both flexibility & versatility throughout, whilst a comfortable living and work space is made further possible due to not one, but two separate outbuildings in the garden.

The double-storey rear extension adds a vast amount of space, whilst the smart level change to the rear reception room gives it the wow factor, perfect for movie nights or unwinding whilst taking in the view from the Rear Garden that it flows so seamlessly onto. The more favoured Southerly aspect means the garden will have a great amount of Sun to be enjoyed from the raised terrace. The separate reception room towards the front features a Wood Burning stove, but could be used as a dining space, playroom or further bedroom should one need a Fifth. Conveniently the Four good-sized bedrooms ensure that everyone has their own personal space to retreat to. Additionally, the two external outbuildings offer a huge amount of extra storage whilst still retaining space to work from home!

Don't miss out on the opportunity to make this house your own and create lasting memories in this delightful family home, call Spencer & Leigh now to book your viewing!
