GUIDE PRICE £400,000 - £425,000

An ideal First-Time purchase or Buy-to-let investment, having been previously extended meaning the flow on the Ground floor spreads Four separate rooms, before leading to a favoured Westerly aspect rear Garden.

Portfield Avenue is perfectly nestled between the popular Ladies Mile Road and Carden Avenue so it reaps the benefits of both. A mere amble downhill to Patcham Village, Open Green Space and further Fields & Nature reserve moments away, whilst the weekly shop is made more convenient with the Hollingbury industrial estate just on the doorstep.

The property itself consists in brief a 14' bay-fronted lounge leading to the 13' dining room. The extended 13' kitchen is fitted with modern units and leads further to the conservatory. Offering larger accommodation than the majority of homes close by due to the rear extension this home offers excellent family space. The modern fitted shower room with a large walk-in shower is also situated on the ground floor.

Conveniently at the first floor, there are Three Bedrooms, with one currently being used as a home office. However, a noteworthy point - our vendors do have plans drawn to add a toilet to the main bedroom and reconfigure the downstairs arrangement.

Finally, a Westerly-facing rear garden and private vehicle parking should make this property high on your viewing list. Call Spencer & Leigh now to avoid disappointment and book your appointment today!

Portfield Avenue is a sought after area as it is ideally situated for all amenities including local shops as well as some larger stores such as M & S food, Pets at Home and Asda stores. There are what are considered to be good schools and colleges nearby as well as a selection of cafes and restaurants. All local travel networks are within easy reach including buses in and out of the city as well as railway links to London and along the coast.
