Potential Building Plot & 1930's House For Refurbishment. Located in a quiet close in Patcham Village is this exciting opportunity to develop and improve this larger than average residential site. Two local projects have been completed in recent years with one site having obtained planning consent for a five bedroom detached house directly opposite and the other having built and attached a new three storey semi detached house. The property is offered for sale with no ongoing chain and is exclusive to Spencer & Leigh. Please call to book your viewing appointment. We can provide resale values for the existing house with full refurbishment and also for the new build depending on your preferred specification, subject to formal planning consent being granted.

Overhill Drive is a much sought after location situated close to Patcham Old Village. There are what are considered to be good local schools within walking distance along with a regular bus service to the city and network links to London.
