GUIDE PRICE £625,000 - £650,000

This newly renovated, semi-detached family home is located just moments from Patcham Village. Early viewing is highly recommended!

As you step inside, you are greeted by a light-filled hallway leading to all rooms on the ground floor. The lounge is bright and airy, featuring a pretty bay front, high ceilings, and a central feature fireplace. The dining area at the rear offers an elevated view of the garden, and the modernized kitchen provides a contemporary feel. There is also a convenient downstairs W/C.

Upstairs, there are two spacious double bedrooms, both benefiting from large windows. The main bedroom has built-in storage stretching from wall to wall, while the second bedroom offers views over Patcham to the rear. There is also a single bedroom and a family bathroom which features underfloor heating.

Outside, the property boasts a large garden, mostly laid-to-lawn, perfect for children to play and secure for family pets. There is also a garden room with power and internet-connected via high-speed Ethernet, currently used as a home office/gym.

Additional features include a separately accessed garage and a private double driveway. Although the property is already a great size, there is potential to convert the loft space and basement (STNC). The current owners have replaced the boiler, installed feature cast iron radiators throughout, had the property fully re-wired and laid hardwood flooring in most rooms.

In our opinion, early viewing is essential to appreciate all that this family home has to offer, both now and in the future!

Overhill Drive is a much sought after location situated close to Patcham Old Village. There are what are considered to be good local schools within walking distance along with a regular bus service to the city and network links to London. Local shopping facilities are a short walk away along with the nearby M & S Food and Asda Superstore.
