Located in the heart of bustling Patcham Village, Spencer & Leigh are pleased to offer for sale this spacious semi-detached family home. Previously extended both into the loft, creating a generous main bedroom with an en-suite, and at the rear, this property features an excellent flow throughout the entire ground floor and is not to be missed!

With a Southerly aspect and a large bay front, natural light floods the ground floor. The stylish kitchen serves as the centerpiece of the room, highlighted by a vibrant teal splashback surrounding handle-less grey soft-close units and a feature "Rangemaster" cooker. The extension has provided additional space, creating a separate dining area large enough for an 8-10 seater table and flowing seamlessly into the rear garden through a set of bi-folding doors. The sunny rear garden is divided into two sections: a patio for relaxation and seclusion, and a lawn area for children to play.

Inside, stairs rise to the first floor, where you'll find two large double bedrooms—one featuring a stunning brick feature wall—and a further single bedroom that could be used as a nursery or dressing area. The family shower room on this level boasts a spacious waterfall shower in a wet-room style and is elegantly finished with contrasting tiles.

The top floor houses the principal bedroom with an en-suite, featuring an extra-deep bathtub perfect for long soaks. This bathroom includes smart additions such as a Bluetooth-enabled mirror that controls both music and lighting, ensuring that every detail has been thoughtfully considered. A walk-in wardrobe completes the top floor, enhancing the overall luxury feel of the home.

Additional features include private off-street parking with an electric car charger and a garage that could serve as fantastic extra storage or a potential work-from-home space with minor adaptations.

Viewing is deemed essential to appreciate all this Spacious Family Home has to offer.

Ladies Mile Road is a much sought after location situated off Patcham Old Village. There are what are considered to be good local schools within easy walking distance along with a regular bus service to the city and network links to London. Local shopping facilities are a short walk away.
