Dunelm is a substantial, extended four bedroom detached family home set in a plot measuring approximately two thirds of an acre on the outskirts of Nynhead. The location of the property is perfectly placed to take in far reaching countryside views on all sides across neighbouring farmland, whilst still being in easy reach of Wellington, Milverton and Langford Budville and with the local farm shop just a short stroll away.

The well balanced accommodation is arranged over two floors and briefly comprises, uPVC stable door opening into a spacious porch with a further door into the entrance hallway leading to the first floor and both reception rooms. The sitting room lies to the front of the property with a wood burning stove set into proud chimney breast providing a welcoming focal point and creating the perfect snug for the winter months. To the other side of the house is a second reception room which is cleverly divided into two separate areas creating both a seating area with an electric feature fire and a study. Central to the ground floor is a large internal hall having being created from the original chimney. This space provides access to the utility cupboard with space and plumbing for a washing machine and tumble dryer, a downstairs cloakroom and door to the driveway at the side. Spanning the entire width at the rear is the large, open plan kitchen/dining/family room which is quite clearly the social hub of this family home. The kitchen itself is fitted with a comprehensive range of country cream wall and base units with contrasting work surfaces and a 1 ½ bowl sink. The kitchen enjoys integrated appliances to include a double oven, hob with extractor hood over and dishwasher. The dining area provides ample room for a family size table and chairs, along with a more relaxed seating area and French doors opening to the garden, making this the ideal entertaining space.

To the first floor, there are four generous double bedrooms serviced by the family bathroom which comprises a modern three piece white suite with shower over a freestanding bath. The master bedroom is a particularly large size enjoying triple aspect windows to include French doors opening on to a balcony, perfect for the morning cup of tea. Adjacent to the master bedroom is a shower room fitted with a double walk in shower, hand wash basin and low level WC. From the first floor landing there is an airing cupboard housing the hot water cylinder and a space saving paddle staircase to the loft, providing useful storage space. The property is flooded with natural light with many of the rooms having double or triple aspect windows, allowing you to take in the views from every angle. The flexible accommodation on offer is ideal for a growing family.

Outside, the well tended, mature gardens wrap around the property and are predominantly laid to lawn with various flower and shrub borders. The garden enjoys a well-considered planting scheme with a variety of colours and textures on show all year round including Magnolias and Wisteria climbing the house. To the end of the garden there is a good size allotment area with a greenhouse and log store. The garden features several trees to include apple trees with nesting boxes used by owls and kestrels. Adjoining the garden is a small enclosed paddock with a mature oak tree. In addition, there are two brick built tool stores.
