

High Street, Cottenham, CB24 8QP

High Street

Cottenham,
CB24 8QP

A unique opportunity to acquire a substantial Grade II listed detached period home in need of considerable renovation together with a large timber framed barn and other outbuildings, fronting into the village high street in the heart of this thriving and popular village.

This detached period thatched home which incorporates a metal roof provides great potential for sympathetic updating and improvement. In addition, there is a large detached timber framed barn to the rear which also provides great potential for conversion subject to planning permission. The property also has the benefit of mature walled gardens, 2 timber garages and courtyard style parking area.

Guide Price £550,000

LOCATION

The thriving and popular village of Cottenham retains its rural/farming routes and is conveniently situated just 6 miles north of the university city of Cambridge. The village offers excellent social, leisure and educational facilities including shops, restaurants, post office, church, library, primary school and village college. The village is also well placed for access to major routes and is within reach of main line stations at Cambridge North and Waterbeach which provides direct access into Cambridge and London Kings Cross.

OUTSIDE

To the front there is an attractive part walled garden with well stocked borders and shrubs and pathway leading to front door. To the side of the property there is a 5-bar metal gate which provides access to a long pebblestone driveway which is owned by this house but also provides a right of access to a neighbouring property, No. 277.

Immediately to the rear of the house there is a courtyard style parking area and range of outbuildings including two timber storage sheds and a

detached timber framed barn/store. Pathway and paved area immediately to the rear of the house leads to a delightful part walled garden area which is mostly located to the side and rear of the house and is laid to lawn with a variety of mature shrubs, bushes and trees around and a large greenhouse and old timber summerhouse. Within this garden area there is a feature garden pond and further small lean-to greenhouse, further garden pond, lawn and an abundance of mature shrubs, bushes, trees around and a further garden area with vegetable patch and this is located to the rear of the main barn.

To the side of the main barn there is a lean-to barn which is primarily used for storage and there are two timber constructed GARAGES and large doors to side leading to the main BARN which is a substantial building with a wealth of exposed beams and timbers and currently unconverted and used for storage and workshops. A door from the rear of the barn goes into the garden which is behind.
