- Substantial Detached Residence
- Six Bedrooms
- Integral Annexe With Seperate Access
- Open Plan Kitchen/Dining Room
- Garage With Electric Roller Door
- Private Rear Garden
- Prominent And Covenient Central Village Location

A substantial detached family residence, which has been cleverly extended to provide extensive and flexible accommodation across two floors, benefitting from an internal annexe, occupying a most prominent and central location in this well served and highly sought after South Cambridgeshire village with strong transport links.

LOCATION

Duxford provides an excellent range of local amenities including store, post office, primary school, church cafes, public houses and a community centre that offers a variety of activities for all ages as well as a range of sporting activities. The village is conveniently placed just 9 miles south of the university city of Cambridge. For the commuter, the village is so well placed just one mile from the nearest access onto the M11 motorway (Junction 10) and also close to the mainline train station at Whittlesford.

OUTSIDE

To the front the property is approached off Moorfield Road via a shared gravelled driveway which leads round to No. 2 which is positioned in the corner with a front garden being principally laid to lawn with an area laid to gravel with parking for two/three vehicles. Another portion of the garden which is secluded via some timber fencing as well as mature hedging which provides additional private garden space for the Annexe and again principally laid to lawn with some bedded areas full of shrubs.

To the rear of the property is an exceptionally well maintained garden principally laid to lawn with a paved patio area led directly off the rear part of the property providing a wonderful space to both relax and entertain this is then enclosed to one side by some well stocked beds full of mature shrubs, trees and plants. To the other side bordering the patio area is an area laid to slate. The remainder of the lawned area is then further bordered by bedding laid to slate and a paved pathway provides access to a side timber access gate which in turn leads round to the front.

GARAGE which is accessed internally from the utility/office with electric up and over door, fitted with power and lighting.
