Halls Close

Halls Close is a new development of 9 individually designed and beautifully finished properties, set within the popular and picturesque village of Braughing. Each property has been thoughtfully designed to compliment its location, incorporating traditional details whilst providing a high specification.

Location

Braughing is surrounded by beautiful countryside through which there are many wonderful footpaths and bridleways. The village enjoys three village pubs/eateries, a highly rated primary school, St Mary's Church and numerous societies and sports clubs. In addition, there is a cricket field, tennis courts, a village hall and of course the ford that is the focal point of the annual Braughing wheelbarrow race.

Stations for those who commute are not far away in

Ware, Hertford and Bishops Stortford and the A10 provides excellent access to the surrounding area, the M25, London and Cambridge. Stansted Airport is about 20 or 30 minutes drive, far enough away but still convenient.

Logan Homes

Logan Homes approach each project with a fresh perspective, creating truly, distinctive and individually designed homes. While the designs may be bespoke, common to all developments are two key elements: exceptional build quality and a superb specification. A Logan home combines stunning good looks with traditional aesthetic values and all the comforts that modern homeowners expect.

For complete peace of mind, all properties carry a 10-year ICW warranty.
