Guide Price £850,000

- Detached Residence
- Four Bedrooms
- Three Reception Rooms
- Kitchen
- Utility Room
- In Need Of Sympathetic Improvement
- Detached Double Garage
- Prime Village Location

A most charming detached period style residence, formerly two cottages, providing most balanced proportions, with the accommodation spread across two floors and in need of sympathetic improvement and updating. The property sits centrally within its own mature grounds, featuring a low-maintenance garden and a detached double garage. Occupying a prominent position within this highly sought-after and picturesque village, the house enjoys open field views to the rear and is offered to the market with no onward chain.

LOCATION

Church Lane occupies a delightful position within the heart of the highly regarded village of Madingley, situated to the west of Cambridge. The village is known for its attractive period properties, strong community feel and convenient access to the city, making it a consistently popular location for both families and professionals. Madingley offers local amenities including a village church, public house and primary schooling, while more comprehensive facilities can be found nearby in Cambridge. Cambridge city centre is easily accessible and provides an extensive range of shopping, cultural and recreational amenities, together with the world-renowned University of Cambridge. The property is particularly well placed for access to the A1303, M11 and A14, offering excellent communication links to London, Stansted Airport and the wider region. The surrounding countryside provides attractive walking and cycling routes, combining a semi-rural village setting with excellent connectivity and convenience.

STORM PORCH

covering:

OUTSIDE

To the front the property is approached off Church Lane via a dropped kerb leading onto a block paved driveway which expands out to provide parking for multiple vehicles as well as access to the DETACHED DOUBLE GARAGE with up and over doors, one electric, one manual and this driveway space is enclosed via low level timber fencing with some mature hedging to one

boundary side and some other well stocked bedding centrally positioned before the block paved driveway elongates round to a paved pathway leading to the front entrance door. The remainder of the front garden is enclosed via timber fencing and is principally laid to lawn with a number of mature shrubs and trees with a high and mature hedge boundary to the front. Timber pedestrian gate.

There is a raised patio area enclosed via low level brick wall and accessed via the kitchen and dining room and provides an ideal space for garden furniture and outside entertaining. On the other side of the property is a paved pathway leading down a side access to the garden. Off the back of the utility room there is a smaller paved patio area which in turn extends round and passed the oil tank which is carefully screened behind some timber fencing and elongates round to the ground level part of the garden which the pathway hugs the back of the property and a further paved patio area led directly off the living room can be found and on either side of this patio area are steps up leading onto the high level of the garden which is principally laid to lawn with a number of mature shrubs and trees with wonderful seasonal snowdrops dotted throughout the garden. The lawned area also provides access to the panelled glazed door of the rear part of the garage as well as a mature fig tree and the garden itself is enclosed via post and rail fencing with some hedgerow creating privacy as well as some open point providing views over the fields to the rear. GARAGE fitted with power and lighting.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A
