DESCRIPTION

An opportunity to acquire a building plot with PLANNING PERMISSION for the demolition of existing outbuilding and erection of a single storey self/custom build dwelling. The plot is set in a tucked away location just off the High Street within the Great and Little Abington conservation area.

Proposed accommodation comprises:

Central entrance hall with open plan kitchen/dining/reception room and shower room to one side and two double bedrooms and bathroom suite to the other side. GIA: 73 sqm (785.77 sqft)

AGENT'S NOTES

1) The access driveway to the plot is under separate ownership (area marked in blue on the drone image). A premium for pedestrian and vehicle access (including construction access) has been agreed with the land owner based on the planning permission granted under reference 24/02083/FUL. A figure of £27,500 plus a contribution towards legal fees in

drafting documents, would be payable by the purchaser to the land owner upon completion of the sale. This would form a separate transaction to the purchase of the building plot. An alternative access via the existing driveway of 88 High Street is also possible. Further details available by calling 01799 523656.

2) Please ensure that reference is made to the conditions noted within the planning application, in particular, condition 14 regarding self-build construction.
