8 Edmonds Drive Ketton Stamford PE9 3TH

Situated in a quiet, prestigious area in Ketton lies Edmonds Drive, a quiet cul-de-sac accessed via a tree-lined avenue. There are only twelve houses in Edmonds Drive making it an ideal location for growing families.

The property occupies a prominent plot, 0.67 acres in size, with a south-facing garden. The property has been extended over the years, now offering a one-bedroom, self-contained annex, ideal for visiting guests, with Air BNB potential, or use as a granny annex. The home boasts over 3300sq ft and, although it could be modernised in some areas, nevertheless offers huge potential featuring five double bedrooms, two en-suites, a family bathroom and generous office space which could be used for other purposes, perhaps by the addition of a sixth double bedroom subject to the inclusion of a stud wall.

The ground floor comprises a multitude of rooms with internal access to both the annex and double garage to the side. Uninterrupted views to the rear garden is a real plus points for this home, without being overlooked by neighbouring properties. A spacious, mature, family garden comprises trees, vegetable patches, orchard and a large lawn, substantial greenhouse and shed. The front of the home is accessed via a driveway leading to a double garage with further extensive lawn.

Owing to its already generous size, this large home offers huge potential to future owners without need for extension.

Ketton is a popular village with its own primary school, a popular Railway Inn public house and friendly community. There are good road networks for commuters to both Stamford and Uppingham which are popular market towns.
