The open plan kitchen/dining/family room at the rear is the true showpiece of the ground floor. The quality of the execution and attention to detail is evident throughout, from the gorgeous kitchen units and amazing wood effect flooring to the double ceiling lanterns and underfloor heating, which extends to just over 24'. The substantial separate laundry room and downstairs cloakroom finish out the superb ground floor accommodation. The property is not disappointing upstairs. The Master Suite is spectacular, with a half vaulted ceiling, luxurious en suite shower room, and a magnificent, fitted dressing area with broad wardrobes, in addition

to the spacious bedroom. There are three more double bedrooms and a well-equipped family bathroom. Outside, the driveway is completely block paved to offer enough parking along with the single garage, and the fully enclosed garden, with the exception of an area of synthetic turf, is largely laid to patio.
