

This beautifully designed, four-bedroom detached home offers an ideal blend of modern living and eco-conscious energy solutions. Situated on the doorstep of 140 acres of picturesque Berkshire countryside near Wokingham, the property features a spacious layout perfect for family living.

The highlight of the home is the expansive open-plan kitchen, dining, and family room, stretching across the full width of the house at the rear, with doors leading directly to the garden. A separate sitting room provides a more intimate space for relaxation, while a dedicated study offers the ideal setup for working from home. Upstairs two of the four bedrooms benefit from en-suite bathrooms, while a family bathroom serves the remaining two bedrooms. Additionally, the property features a garage and driveway, ensuring ample parking.

Designed with energy efficiency in mind, this Enhanced Energy home* is equipped with cutting-edge energy-saving solutions to help reduce both your carbon footprint and potentially your energy costs, making it a smart choice for environmentally conscious buyers.
