Driveway

Off Road Parking

Located off a quiet country lane close to the edge of the popular village of Ringmer. We are pleased to offer for sale this newly refurbished, three bedroom, detached single storey home with magnificent far reaching views of the local countryside. Sitting in a plot of 1/4 acre.

A drive from the single file country lane leads to the property and private off street parking. A pathway then leads to the front door.

The front door opens into the open plan living / dining and kitchen. The main living areas are triple aspect with most windows benefitting from magnificent far reaching views of the local countryside and South Downs in the distance.

The recently installed kitchen incorporates a peninsula island and breakfast bar and offers space for the usual kitchen appliances. A door then opens to an internal hall with panelled walls, which leads to the bedrooms and bathroom.

Bedroom one is dual aspect with views over the garden. Bedroom two features views over the local countryside and South Downs in the distance. Bedroom three is a single bedroom or ideal office - also overlooking the views. The modern bathroom is well equipped with a WC, wash hand basin and bath with shower over.

The gardens wrap around the property and are mostly laid to lawn with a number of specimen plants and shrubs. A patio area provides a pleasant space for outside dining and a slightly raised area of garden to the side of the property takes full advantage of the location and far reaching views. There is also a driveway and parking for multiple vehicles.

This is a very unique home in a beautiful position offering light and airy bespoke accommodation ideal for many buyers. The property also benefits from planning permission to double the size of the property - a real bonus for the future.
