A contemporary detached family home nestling on the edge of Lewes with gardens offering direct gated access to the South Downs. This fabulous family home benefits from fantastic light, spacious and airy accommodation finished to a high specification throughout.

The property is approached by a newly laid resin driveway, providing parking for at least 3 cars and access to the double detached garage. The front door opens into a large welcoming hallway with cloakroom to the side as well as a very useful study and a separate utility room. Incorporating the vast majority of the downstairs space is a large open plan kitchen / dining / living room with glass walls opening onto the south-facing garden. The kitchen is of a high quality with stone worktops and under floor heating throughout. The living room area could easily be separated from the rest of the open plan space if preferred.

Upstairs is a spacious landing giving access to all four double bedrooms. The master bedroom suite comprises the bedroom, a large south-facing balcony, full en-suite and a walk-in wardrobe. Bedroom 4 also benefits from a private balcony and a family bathroom services bedrooms 2,3 & 4.

The main south-facing garden has a superb, modern, easy wash wooden deck the full-width of the property, 67' (20.42m), with steps to the rear of the garage with pebbled area and rear courtesy door. Beyond the deck is an easy maintenance astroturf section with laurel hedge. There is a modern HEATED SWIMMING POOL, approximately 24' x 14' (7.32m x 4.27m), with safety cover and decking surround with raised borders. The west side garden is also decked with a bar. Slate steps lead to a rear gate that opens onto the South Downs. Further steps take you to a raised astroturf area receiving the afternoon sun and leading to the log cabin GUEST ROOM/OFFICE/STUDIO 16' x 9' (4.88m x 2.74m), with 2 double glazed windows, insulated wood internal walls, cast iron wood-burner and recessed spot lighting.

This is a really well balanced family home incorporating modern living with direct access to the countryside. Internal viewings are highly recommended.

Tenure: Freehold
Energy Performance Rating: D
