Private off road parking space

A superbly located, raised ground and first floor 2 bedroom, split level apartment in a quiet location moments from historic and pedestrianised Cliffe High Street. This Share of Freehold property has the rare benefit of an allocated off-road parking space and far reaching views over rooftops, the wharf buildings along the river Ouse, and the South Downs.

The Grade II listed apartment forms part of a beautiful 19th century 'Maltings' barn, originally designed to make malt from barley for brewing beer. Developed in circa 1994 the property benefits from being newly renovated from top to bottom with everything being replaced. It has an upside down layout with the two bedrooms on the raised ground floor and upstairs you will find the welcoming open plan living and kitchen space along with a newly fitted bathroom.

To the outside the property is located in a gated development which has been landscaped with mature trees, a seating area for residents and bike store. It also offers parking for residents as well as their visitors. In our opinion there is an air of exclusivity to this private, gated development and viewing is recommended. The property is ideal to live in or would make a perfect investment.

Agents notes: Annual service charge of £1030.80. Additional contribution to a reserve fund of £400 annually. 999 year lease dated 25th March 1994. GCH. Offered with vacant possession with no onward chain.
